Painter Tak Tanabe

[illegible] Tanabe is a Nisei [illegible] of whom we've heard [illegible]. A letter from an [illegible] in Montreal reveals [illegible] following facts:

He's scheduled to come back to Montreal [illegible] another personal exhibition [illegible] later this month.

Most of our readers are aware [illegible] (we hope), that preparations are under way for [illegible] Christmas Issue.

No complaints, of course, . . . But right [illegible] what we're concerned with [illegible] preparation of the issue. Our [illegible] writers are generally [illegible] apathetic. Imagine our [illegible] elation, then, when one [illegible] mentioned the other day [illegible] actually been thinking [illegible] his contribution for this [illegible].

Russo-Japanese Talks Stir Interest in Japan For Russian Language

[illegible]

Visits by Japanese scientists and legislators to the Soviet Union have also spurred the interest in the study of Russian.

Most of those taking up Russian are university professors and scholars studying [illegible] physics, [illegible] mathematics and agriculture.

However, farmers and fishermen in northern Japan were also reported to be interested in learning the language.

Kyodo said one problem is the difficulty in understanding the language because of the lack of good Russo-Japanese dictionaries.

Although the interest in Russian is mounting, it may still take some time before the Japanese can make full use of the language since the Russo-Japanese peace talks in London are recess at present and there is no indication as to when relations between the two countries will be normalized.

Scientist Plugs Beer For Vitamin C Content

TOKYO.—A Japanese scientist made vegetarians [illegible] and [illegible] totalers frown last week by plugging beer over spinach, carrots or oranges as having a healthy dose of vitamin C.

Dr. Masayoshi Watanabe, of the stomach institute [illegible] clinic, [illegible] popular [illegible] "exceptions" [illegible] highly [illegible] Japan.

Dr. Watanabe devoted most of his research to [illegible] such as wheat and rice to prove [illegible] is [illegible] vitamin C.

But he had [illegible] praise [illegible].

In [illegible] Dr. Watanabe said [illegible] "sufficient [illegible]".

Japan Tourist Bureau Notes More Canadians Visiting Every Year

[illegible]

The number of Canadian visitors has steadily increased since 1951, when only [illegible] "sojourners" stopped in Japan. In 1952, the number jumped to 498, in 1953 to 828, and passed the thousand mark last year.

Conservative Merger Seen Necessary For Japanese Govt.

TOKYO.—Disgruntled Japanese [illegible] magnates who foot the bill for most conservative party expenses, now are exerting extreme pressure upon the two major rightwing parties to patch up their differences and unite in a single governing body.

This is the principal reason why conservative party bosses here are staging a new series of meetings. Both overtly and covertly—to see if they can find some formula for a merger, preferably before the end of November.

There is, at the moment, little assurance that personality feuds and the tendency to shift allegiances can be suppressed in the interests of achieving a new degree of political stability in Japan.

But there is a growing realization that unless this can be done, bipartisanship is out the window and with it goes any prospect for smooth operation of both domestic and international affairs.

There is the further impelling fact that unless the two parties—the Democrats and the Liberals—can get together on a common policy ground, their vulnerability to the assaults of a steadily growing socialist opposition in the Diet (parliament) is becoming almost daily more apparent.

The forecast is that while the two conservative parties may eventually succeed in their merger attempts, possibly before the end of this year, there will [illegible] achieved a [illegible] which is needed to assure [illegible] of stability [illegible] [illegible] popular vote.

Will Revive Saisei-Kai As Philanthropic Fund

The Saisei Kai, the old welfare foundation of the pre World War [illegible] Japanese Canadian community, will be reorganized as a philanthropic foundation.

The furthering of scholarship and cultural pursuits and assistance in welfare cases will be the chief aims of the organization. The name, "Saisei-Kai", will be retained and the body will seek incorporation.

These decisions were reached at a meeting Wednesday called by the Issei division, Toronto JCCA. Twenty interested persons attended, all of them Issei. The organization's membership, however, is to be open to any Canadians, Issei, Nisei and Occidental alike.

A preparatory committee will seek legal counsel in the drafting of a constitution, and a general meeting will be called for election of officers. The preparatory committee: K. Iwashita, R. [illegible], E. Kagetsu, J. Kinoshita, Y. Iwasaki and T. Umezaki.

Membership in the Saisei Kai will be open to any Canadians over 20 years of age at a yearly fee of two dollars. All members will have a voice in the disposal of funds for any project. An [illegible] general meeting will discuss a budget for the coming year. The Saisei Kai will hold office in Toronto.

Fund for educational and welfare projects and for operational expenses will be derived from membership fees and interest accrued by the foundation. The present balance held in trust will not be used in future projects.

Total Saisei Kai funds were reported as follows: (a) $8,000 in bonds, bearing interest of $110 yearly; (b) cash on hand plus interest, $3,959.22.

Mr. Suzuki was a leader of the labor union movement among Japanese Canadians in the 1920s. Those wishing to attend are asked to contact S. Kaneno (LA. 4398) or T. Umezaki, The New Canadian. Fee will be $1.50 per person.

NORTH PACIFIC FISHERIES CONFAB WINDS UP; TO CONTINUE RESEARCH; COOPERATION NOTED

TOKYO. — The International North Pacific Fisheries commission last Sunday wound up its week-long second annual meeting after reviewing research done in 1955 on the distribution of salmon in Pacific waters.

Its main task is to determine the "distribution of salmon of Asian and American origin on the high seas" in order to set a permanent fishing line between North America and Japan.

George R. Clark, Canadian Deputy Minister of Fisheries, told newsmen that the commission had "reviewed the work of the previous season and drawn up plans for coordinated research in 1956."

He said that the three nations were "working very closely together" and that the meeting was held in a spirit of "almost cooperation."

Ikuo Fujita, Japanese commissioner and chairman of the Tokyo meeting, stated that it was still "too early" to estimate the progress of the commission.

In order to determine a fair boundary between American and Japanese fishing waters, the commission must trace the origin of fish in the North Pacific Seas.

The commission voted in Tokyo to continue its research along four lines:

1. Send research vessels throughout the Pacific Ocean to sample the distribution of salmon.
2. Study physical differences between salmon of North American and Asian origin.
3. Tag salmon in order to trace migration patterns.
4. Collect oceanographic information useful in determining salmon distribution.

According to the report of the commission's committee on biology and research, the member countries have made "substantial progress" in the research program adopted in 1954.

The report stated that Canada had started anatomical studies to find "characteristics of salmon of different origins."

LETTER TO MICKEY or "The Things that Happen to Me Wouldn't Happen to a Dog . . ."

Montreal, November, 1955

Dearest Mickey:

I'm a little at a loss as to what to tell you in preparation for your forthcoming trip to Japan. I can only tell you about all the "off the record" things that happened to me. And, as you know, the things that happen to me should not even happen to a dog. You'll just have to guard yourself accordingly, Mickey gal.

First, don't let anyone scare you into believing that there's a language barrier to contend with. Everyone in Tokyo is English-conscious. I got lost in Tokyo Station. Although my reading knowledge of Japanese does not extend beyond the third grade, I approached a nattily dressed Japanese and beamed, **"Domo sumimasen desukeredo, Ochanomizu wa dochira no ho desho?"** The myth that Japanese men were exceedingly polite exploded. I got a rude, **"Yondara wakaru daro!"** My pidgeon Japanese brought better results. Every time I got lost in Tokyo Station (and believe me, that was often) I put on my "helpless look" and the nearest person around, **"Watakushi wa Gaikoku kara kita . . . wakarimasen . . . Ochanomizu wa-do-chi from here?"** I always got directed back to Ochanomizu.

Secondly, use your discretion when going "native". As you know, **"onsen kembutsu"** is a national Japanese institution. I decided that while in Japan I would do as the Japanese do. I sought "atmosphere" and "authenticity" with a fine-toothed comb and I got them. I by-passed the newer, modern "onsens" with their bars, juke boxes, dance halls and nearby midways for a quiet "onsen" deep in the volcanic hills of Higashi Narugo. I got everything I was looking for—tatami on the floor, paper-thin walls, Japanese architecture, food cooked for me over a shichirin (small movable furnace) and something extra "co-educational ablutions if I so desired." All this was wonderful, Mickey gal, except that no amount of "native" living could erase my veneer of modesty. I just couldn't make myself relax in a community bath with one thousand other people. Nor could I picture myself using the Onsen's outdoor pool even if the water which poured into it was natural water piping hot, and was very beneficial for whatever ailments I might have and not know of. Perhaps I'd have come away "unbathed" had it not been for the discovery that all the baths were empty at dinner hour, when people were more concerned with food than with relaxation.

Anyway, one dinner hour, I slipped in through the door marked "Women", got myself nicely settled in what I thought was blessed privacy, when to my horror, over my shoulder I saw a man nonchalantly coming in through the door! I did a quick duck dive in about 8 inches of water, trying to reassure myself that whoever he might be, he couldn't possibly see me. Hadn't I read somewhere that 80% of the Japanese population suffered from myopia? While I burried in submerged embarrassment, he took a ten-minute dip and quite oblivious of the presence of outraged womanhood that was I, went cheerfully out of the door. I scrambled out of the bath and sought out the maid. **"O sa oh . . . demo ne, Amerika no Ojo-san, son na koto wa kama wa nai no yo!"** What difference did it make, she wanted to know. Well, Mickey, you try hiding behind a face cloth and see how you'd feel!

And if you have anything bright in the way of clothes, better get set for some peculiar experiences. You remember that shocking pink dream coat I bought in a mad, ecstatic moment? I should have heeded my cousin's envious "My husband won't allow me to wear such gay colors—only blues and greys." One evening, Mickey, while I was waiting for a cousin at a bus stop in Sendai, I was approached by a man in uniform who proceeded to address me. **"Anata to watashi . . . tonight . . . isho . . . dance. Okay?"** When I opened my mouth to explain that I was waiting for a cousin, he bolted mumbling something which sounded very much like "Sorry. Didn't know you were a foreigner!"

And one would think that in Tokyo, one could get away with one little white lie. But don't be misled into believing that Tokyo's eight million people can hide you. No sir! not when you own a shocking pink coat. One evening I politely turned down my favorite cousin's invitation for a second invitation which had certain merits my married cousin's invitation could not provide. Here I was, strolling through one of the gayer sections mushrooming with dance halls, feeling ultra-ultra cosmopolitan in my shocking pink coat, convinced that I could get to like Tokyo very, very much when I heard "Oh, Cindy San! . . ." and there was my charming cousin, eyeing my escort who didn't know that he was supposed to be my old school teacher I hadn't met for years and years. . . .

By the way, Mickey, don't be too eager to join a crowd or you might wake up one morning to find yourself in the fotogravure section like a thorn among a bevy of roses. I was lucky to get to Ofuna for a tour of the Shochiku Film Studios, and got caught in a group of movie actresses who were handing out autographs. Someday, fifteen Japanese teenagers are going to wake up to find that Cindy of Montreal is nothing but an obscure Eapi actress.

And while in Japan, Mickey, dear, relax. Don't ever hope to get a direct "Yes" or "No", and you'll save yourself a lot of wear and tear on the nerves. The Japanese people, particularly those in the banks and in government establishments, are the best and most polite examples of the INDIRECT REPLY, which is just this side of saying "Really, I don't know." It is as if they are afraid to admit they don't know. [illegible] just have to go along with them and smile politely when they give you a [illegible] which goes like this. You ask a little man behind the counter in a small bank in a small city if he would be able to exchange American travellers' cheques and he'll say, **"Sah. . . . Sa . . . ah . . . so desune . . ."** and direct you to another individual who [illegible] courtesy, **"Ah . . . so-oh desune . . . chotto omachi kudasai. . . ."** [illegible] fifteen minutes later he will come back to direct you to another little man who will start all over again [illegible] **"Ah, so desune . . . Sa . . . ah. . . ."** Although the phrase is [illegible] Japanese dictionary, you can take it from me that it always means "Sorry, [illegible]."

Well, Mickey, here they are for what they're worth. Bon Voyage and may you have as much fun as I had.

Sayonara,

Cinderella

P.S. Will write you later of the lovely things which will remain long in my memory.

Formaldehyde in Japan Gin Latest Discovery

TOKYO.—First, it was arsenic in baby's milk. Later, worms in chocolate and colitis germs in ice cream.

Finally, a finding to curdle the blood of Japanese cocktail drinkers—formaldehyde in gin.

In the latest of a series of startling discoveries in Japanese food products, police confiscated a pint of gin containing formaldehyde and several gallons of sake — rice wine — containing deadly methyl alcohol.

済生、研究、文化を事業目的に

更生 済生會 は個人單位の會員制として政府に登録

済生會を組織するための協議會が十一月九日佛教會館會室において開かれ、準備委員會よりの報告にもとずき協議の結果

〈組織は個人單位の會員組織とする。

〈法人團体として政府に登録する。

〈事業目的は済生、研究、文化高揚、在來の済生事業のほか研究、奨學事業を含むわけ」

という原則を可決した。協議會には二十名の出席者があり、花月氏が司會挨拶、[illegible]吉田忠三氏が推されて議長をつとめ、岩下令朝弘氏その他の委員から準備委員會の研究結果が報告され、それに基いて相談を進め、今後の會則起草その他のことは準備委員六氏（岩下、井手、花月、木下、岩崎、梅月）の留任を求めることになったが、委員は辯護士と相談しながら會則を起草、それが出來たら更に會合を開いて承認を求め、役員を選定して政府に登録の手續きをとり、公認されたら正式の總會を開いて役員を選擧、會務の運用と會員の募集を開始するという段取りになるのである。

個人會員制にする理由

報告と質疑應答および發表された意見等を總合して、再組織される済生會のリンカクを見ると次のようになる。

▲現狀からみて再組織する済生會は合法的基盤の上におき、個人を單位の會員組織として、政府に法人團体として登録し、この事業に關心をもつ者は男女を問わず誰でも（但し年齢二十歳以上の成年）加入できるようにする。

▲會員たることの責任をはっきりさせるため、會費として年二弗見當を集める。

▲實際問題上、運用上から事務所はトロント市におき、済生會の事業に關心をもつ、全カナダの人々に呼びかけて入會を勧誘する。

（以前の済生會の様に團体代表にする組織では、法人團体として公認をうける場合差支えが生ずるので個人單位の會員制にするわけだが、團体の協力を求めることは勿論考慮に入れる）

會の名稱、目的

▲名稱は「済生會」という字句を存置させるようにする。

▲事業の目的は「済生、研究、文化高揚」というように幅の広いものとしておく。

▲事業及び會務運用の費用は會費、基金の利子、特別に使途を指示された寄附金からこれを支出し、基本金には手をつけぬという方針をとり、それらのことを會則中に規定する。年々の總會でその年度の豫算を編成する。

（各團体の殘金未整理の向きから寄附を仰ぎ、それを基本金に繰入れることも出來るだろうという話もあった）

現有資金一万二千弗

尚花月氏から報告されたところによると済生會の資金は次の通りである。

△前回報告の銀行預金二千四百十九弗二十二仙に
△二年半分の公債利子が千五百四十弗で
△預金總額三千九百五十九弗二十二仙
△公債八千弗
▲合計一万一千九百五十九弗二十二仙

近事片々

露木 海蔵

△い[illegible]かも昔いことになったが、今年の夏から秋にかけて、中共やソ聯の招待や自費で旅行した有名人（せんせい）に政治家や實業家が多い。それも強行旅程で二週間から一ヵ月の「視察」である。招待されたのだから、なんでもアチラ様のいう通りにアイヅチを打つのがエチケットと思ったかどうかは知らないが、國會では事ある度に亂闘をやる議員達もソヴェットではフルチョウ、ブルガーニンとの會合では至極從順。議員團はイエス團であったと評している向もある。

△最近、[illegible]「自主獨立」の者が少なく、相手のフトコロの情けによるためか、主張すべきことを主張せず、卑屈な態度が表現されることはよく報道されたことである。日本はソ聯と國交調整のためロンドンで長期の會議をやっているが、國民外交の立場からも、ソ聯に行った議員は堂々と日本側としての正論は正論として主張を述べるべきであったと思う。

△ソ聯にはいまだに戰爭犯罪の名目のもとに捕えられている日本人の數が相當に多い。對ソ戰はソ聯の一方的行動だ。日本側は無條件[illegible]に戰犯の名のもとに十年以上もソ聯がこばりつけておく事は條約にも反している行動だ。犯罪は當時滿洲在住の邦人婦女子を犯し、財産のリャクダツに狂奔した側にあるべきなのだ。

△招待旅行から歸ってソ聯にすっかり感心し、心醉しているのは勝手だが、國民の一人として持つべき性格と決意を先方の舞台でなぜ表現しなかったかと齒がゆく思うのは私一人ではあるまい。

△西ドイツでは今度「十年の流浪」（一九四五—五五）と記した郵便切手を發行しているという。二組の男女と子供が激しい風に抗してのめりつつ歩いている圖案だという。十年抑留の冷酷な仕打ちに對し、ソ聯に對する感情のレジスタンスである。國民の正當な感情は的確に必要な場合では表現した方がいい。

廿一日に鳩山内閣は總辭職
臨時國會を廿二日開き首班指命を行うはず

【東京時事通信】臨時國會開催について今週根本官房長官を首相官邸に訪問した社會黨の横路、井上兩國會對策副委員長と成田政審副委員長に對する根本長官の答辯要旨は次の通り。

廿一日内閣は總辭職し、廿二日國會を開き、當日首班指名を行うようにしたい。

【東京ユーピー發】臨時國會が廿一日開會されると同時に鳩山内閣は總辭職し、もし民主黨と自由黨の合同が實現し、新黨總裁がきまれば新保守黨が政權を引きつぐであろう。確實なる筋では自由黨の緒方總裁の努力にもかかわらず、鳩山一郎氏が首相に再選されるだろうとみている。

【東京ルーター發】東京都市の政治觀測者は統一社會黨の内閣組織のチャンスはしだいに増大しつつあると語つている。社會黨に政權を渡さない唯一の方法は保守合同によるしかなく、この保守合同は總裁問題などで思うように進行していない。

新黨の外交方針
海外移民を推進

新黨結成準備會の政策委員會は今週「平和外交の積極的展開」という全般的な外交方針の大綱を決定、今後この方針にもとずいて具体的な内容を檢討することになつた。同方針の骨子は次の通り。

一、自由民主々義諸國との協力体制の強化と國連加入の促進

一、日ソ交渉については抑留者の即時完全送還、南千島をふくむ日本固有領土の返還を要求するとともに南樺太、北千島は國際會議で決定する

一、經濟外交の推進、とくに東南アとの經濟提携および中ソとの貿易促進、各國との通商航海條約の締結促進

一、海外移民の推進。

社黨が一役買い
砂川地元民との話合いもダメ

【東京時事通信】砂川町の強制測量をめぐつて、地元支援勞組と警官隊との正面衝突を重視した社會黨では、今週同黨基地對策委員長加藤勘十氏ら代表が西田勞相副島調達廳長と會見、事態收拾のため測量延期を申入れた。これに對して西田勞相は副島長官と協議した結果、社會黨が地元民および應援勞組に對し說得するだけのゆとりをおくため、二日間測量を中止することに決定した。よつて社會黨では代表を現地に派遣、二日間にわたり地元側代表との話合いに入つたが、地元側の態度はいぜん强硬で、むしろ「社會黨は闘爭を軟化させようとしているのではないか」としているので、社黨と地元民との話合いの成行きは、きわめて微妙なものとなつている。

△地元代表と話合つた加藤勘十氏らは歸京、西田勞相、副島調達廳長官と會見。

一、勞組は動員しないから政府も警官を引込めてもらいたい。

二、勞相が現地に出向いて解決への誠意を示してもらいたい。

と申入れたのに對し、政府は既定方針通り進むと回答した。

新移民おどす
當局指令

【オタワ發】さきごろソ連から農業視察團一行がカナダ各地を訪問した際、ある地方では新移民グループが散々罵口を投げ「人殺し、歸れ」とまで罵倒したし、それにこりてトロント訪問を中止したことがあつたのでオタワ移民省では、再びかかる不祥事が起らないよう新移民グループの責任者に「今後、赤い國からのお客に對し失禮なことをすれば、貴下の母國からの移民は中止するから十分氣をつけるよう」にいうことを移民省官吏にいわせる秘密指令を行つたと傳わられる。このニューズに關し、歐洲系グループの代表者らは「オタワ政府のオドシ文句だ。カナダ人となつている我々が市民としての感情をヒレキすることは民主國の特典ではないか。」と猛烈な反對の聲をあげている。右に關し移民との接觸の擔當者アレックス・シム氏は語ることを避けている。

相互信頼
失うとダレス談

【ジュネーヴ發】ダレス米國務長官は今週記者會談を行い「今夏、ジュネーヴで四巨頭會議が持ち合つた相互的信頼はほとんどうちこわされた」と四國外相會議について悲觀的な言明を行い、その責任はソ連にあると語[illegible]「この[illegible]米國に[illegible]では[illegible]、善隣すること[illegible]ないとつ[illegible]捕えた。このダレス長官の言明に對し英國代表らは「あまりにおとなしい言い方だ」とかえつてはがゆく思つているといわれる。

サケ會議
日本側の言い分

【東京發】日米加三國の東京における六日間にわたるサケ會議は今週はじめ終了。次の會合は來年十一月シアトルで行う豫定。カナダ代表クラーク氏はビーシー漁者がさかんに口やかましく言つている日本漁船のサケ亂獲についての質問に回答をさけ、かかる抗議は政府間に行われるべきと斷つた。一方日本側でもカナダ漁者の非難は不當だとし、日本漁船は與えられた權限外にサケ類を漁獲していないと規則を遵守していることを主張している。

Propaganda for El Choclo from Tosh

After a very successful Halloween Social at the Buddhist Church, El Choclo is back at its own meeting place: Matsui Studio at Dundas and Rusholme above Curry Cleaners.

On Oct. 30th, the basic rumba and jive plus more advanced steps in the mambo were taught with open dancing after. The highlight of the evening was the novelty "changing partners" dance which ended up as an elimination dance with those remaining collecting the loot: necklaces, suckers, masks, and kisses. This dance certainly kept us hopping! After waltzing and jiving, everyone settled down to tasty refreshments prepared by El Choclo's [illegible] girls.

Say members — have you practiced your steps? Each lesson is important, so listen for small pointers on styling. If you don't grasp the steps right away, don't hesitate to ask the instructor and the more experienced members are glad to help. Don't keep on trying and end up wrong.

El Choclo is held every other week, so the next get-together will be on Sunday, Nov. 13 from 7:30. We'll be learning the basic waltz and samba, plus more steps in the rumba. Membership is still open, [illegible] limited.

Come early; time is precious at El Choclo! —TOSH

Right about now, a few words should be tossed in for dear old RecSo, THE other Sunday night dance club in T-O. [illegible] Lessons start at 8 p.m. with more steps in the tango. Prizes and novelty dances will be featured in the evening of dancing to follow. This is at Hagerman's Hall, south of Dundas and Elizabeth.

Remember, dance as you like, but dance. It's fun! Really.

Tad Miura Again Paces Interchurch Victory; To Meet Carlton Next

Paced by Tad Miura's four wins, Interchurch defeated Strathcona No. 1 handily 21-14, but the score is not indicative of the play as each match was fiercely contested. Miura was the only shuttler to win four in Wednesday night's T&D action.

Tad and Mat Matsui had an uphill battle against Geoff Gray and Russ Davies. Gray is classed an A player as he won a B tourney last year. The Nisei duo put up a terrific defense to take two games as the Strathcona pair wore themselves out.

Tad and Kay Ogaki met a strong combination in Clare Applegath John Beaver. Down 11-4 in the first game, the Nisei suddenly caught fire and won the second game handily. Kay and Sue Iwasaki split their ladies' doubles, while Sue and Mat split mixed doubles. So, all in all, the Nisei did pretty well.

Now that Strathcona has been defeated, Carlton [illegible] will be the last hurdle for Interchurch to the league title. Carlton is reported strengthening their team for next Wednesday against Interchurch, as it'll be do-or-die for both teams. Neither has yet lost.
